### Appendix D: FAA Sport Pilot Training Procedures and Endorsements

Pages 318-319: The changes in this update reflect current FAA literature and procedures.

**PROCEDURES.** ~~A student pilot certificate can be issued by a designated aviation medical examiner as part of a medical certificate. However, an aviation safety inspector (ASI) and designated pilot examiner (DPE) can issue student pilot certificates with no medical.~~

~~The following procedures are established for this pilot certification activity:~~

~~A. Schedule Appointment. Advise the applicant to bring the following documents and records to the appointment:~~

~~(1) Airman will complete an Airman Certificate and/or Rating Application, FAA Form 8710-11, in ink or typewritten and must be signed by the applicant.~~

~~(2) The applicant must show an acceptable form of photo identification [i.e., §61.3(a)(2)].~~

~~B. Aircraft Category. Determine which category of aircraft the applicant intends to fly.~~

~~(1) If glider or balloon, the applicant will complete FAA Form 8710-1 or 8710-11, as applicable.~~

~~(2) If airplane, gyroplane, weight-shift control aircraft, powered parachute, or airship, and the applicant is seeking a sport pilot certificate, he or she must hold a valid medical certificate issued under part 67 or a current and valid U.S. driver's license.~~

~~(a) If an applicant does not have a medical certificate, and it is required, inform the applicant that a medical certificate must be obtained. Advise the applicant to make an appointment with an aviation medical examiner for FAA Form 8420-2, Student Medical Certificate. Also, inform the applicant that the application may be resubmitted for a student pilot certificate, FAA Form 8710-2, if they obtained a medical certificate only.~~

~~(b) If an applicant has a valid medical certificate, provide the applicant with FAA Form 8710-1, or FAA Form 8710-11. Explain what must be filled out.~~

~~C. Applicant Arrives for Appointment. The Examiner shall collect and review the documents and records listed in paragraph 5b.~~

~~D. Review Application. The Examiner<sup>(4)</sup> shall verify that the information on FAA Form 8710-1 or 8710-11 is accurate, legible, and complete.~~

~~(1) In Section I on the FAA Form 8710-1 or 8710-11 application, the Examiner shall ensure that the applicant has checked "Student Pilot".~~

---

<sup>(4)</sup> ~~Examiner implies a Designated Pilot Examiner, Sport Pilot Examiner, or Aviation Safety Inspector.~~

~~(2) The Examiner shall ensure that the remainder of the FAA Form 8710.1 or 8710-11 is completed properly.~~

~~E. The Examiner shall verify applicant's identity.~~

~~F. Establish Eligibility. The Examiner shall determine if the applicant meets the specific eligibility as established in §61.83.~~

~~G. Discrepancies. If a discrepancy exists in any of the documents and cannot be immediately corrected, the Examiner shall return the FAA Form 8710.1 or 8710-11 application and all submitted documents to the applicant.~~

~~(1) The Examiner shall inform the applicant of the reasons for ineligibility and explain how the applicant may correct the discrepancies.~~

~~(2) The Examiner and applicant may mutually agree on a rescheduling appointment date.~~

~~H. Applicant Meets Requirements. If the applicant meets all of the requirements for a student pilot certificate—~~

~~(1) Prepare the certificate in duplicate.~~

~~(2) Sign and have the applicant sign, in ink, both the original and the carbon copy.~~

~~(3) Issue the original to the applicant.~~

~~(4) Inform the applicant that the certificate expires two years after the date it was issued, on the last day of the month.~~

~~(5) Enter the following operating limitation (when appropriate) on the space provided on the student pilot certificate:~~

~~(a) Enter "Not valid for flights requiring the use of radio" if the applicant is hearing-impaired or speech-impaired.~~

~~I. Complete the Certification File:~~

~~(1) The Examiner shall complete the following information under the Designated Examiner or Airman Certification Representative Report:~~

~~(a) The Examiner shall check the second block indicating the examiner verified the qualifications of the applicant.~~

~~(b) Complete the remainder of the date and examiner's information on the last line.~~

~~(c) Forward completed file to the FSDO.~~

~~(2) The Aviation Safety Inspector (ASI) shall complete the following information in the Aviation Safety Inspector or Technician Report of the FAA Form 8710.1 or 8710-11 application:~~

~~(a) The ASI shall check the boxes "Student Pilot certificate issued" on the FAA Form 8710.1 or 8710-11 application.~~

~~(b) The ASI shall date and complete the remainder of the ASI's information on the last line of the FAA Form 8710.1 or 8710-11 application.~~

~~(3) Forward completed file to AFS-760.~~

~~(a) Carbon Copy of FAA Form 8710-2.~~

~~(b) Signed FAA Form 8710.1 or 8710-11.~~
